

## Price List / Rates

**The annual subscription and each certified functional group are subject to a firm three-year contractual commitment.**

Billing is annual.

**No adjustments to the scope, subscription, or functional groups are possible during the three (3) year cycle.**

At the end of this initial period, the commitment is renewable for successive three (3) year periods, or may be terminated at no cost before the next cycle.

Upon each renewal of the three-year cycle, only the annual subscription and the selected functional groups are billed.

Activation fees are not re-billed.
